

The Danish Immigrant Museum

FAMILY HISTORY & GENEALOGY CENTER

PO Box 249

Elk Horn IA 51531-0249

genealogy@danishmuseum.org

Query and Translation Information:

Research fees are \$30/hour for Museum members (one can become a member online at www.danishmuseum.org to take advantage of the member rate) and \$40/hour for non-members, plus postage and document fees. A 2-hour minimum* retainer, payable to The Danish Immigrant Museum, should be sent to the above address along with a completed Research Request form. Some inquiries can be answered in this amount of time, but please also specify a maximum number of hours you wish to be spent on the search. You will be invoiced for the remaining amount when the research is completed.

Copies of FHGC files and documents are \$.25/page. The rental fee for microfilms that we do not own, such as Danish military records, is \$5.50 per roll. Copies of courthouse and other documents will vary in price.

Individuals interested in **Danish Brotherhood records** may request either a transcript of the record, which is included in the research fee, or microfilm copies (each listing takes a minimum of 2 prints; some individuals were members of lodges in various localities during their lifetime and hence have several listings).

*Searches involving Danish Brotherhood records only require a 1-hour advance search fee per name.

Queries are answered in the order of receipt of payment. Due to the number of requests received, our response time usually varies between 8-12 weeks. Rest assured that we will get to your inquiry as soon as possible.

Translation fees are \$30/hour for Museum members and \$40/hour for non-members, with a 1-hour minimum. Send a clear COPY of the original material to the address below, along with contact information. For lengthier or more involved projects we will give you an estimate of the time needed for the translation.
