INDEPENDENT AUDITORS' REPORT

To the Board of Directors The Museum of Danish America Elk Horn, Iowa

We have audited the accompanying financial statements of The Museum of Danish America (a nonprofit organization), which comprise the statement of assets, liabilities, and net assets – modified cash basis as of August 31, 2015, and the related statements of revenue and support, expenses and changes in net assets – modified cash basis, and functional expenses – modified cash basis for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the modified cash basis of accounting as described in Note 1; this includes determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statement in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion the financial statements referred to above present fairly, in all material respects, the assets, liabilities, and net assets of The Museum of Danish America as of August 31, 2015, and its support, revenue, and expenses for the year then ended in accordance with the modified cash basis of accounting as described in Note 1.

Emphasis of a Matter - Basis of Accounting

We draw attention to Note 1 of the financial statements, which describes the basis of accounting. The financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to that matter.

Report on Summarized Comparative Information

Alsen, Muhlbauer & Co, LLP

We have previously audited The Museum of Danish America's August 31, 2014, financial statements, and our report dated December 17, 2014, expressed an unmodified opinion on those audited financial statements. In our opinion, the summarized comparative information presented herein as of and for the year ended August 31, 2014, is consistent, in all material respects, with the audited financial statements from which it has been derived.

Notes to Financial Statements August 31, 2015

Note 1 - Nature of Activities and Significant Accounting Policies

Nature of Activities

The Danish Immigrant Museum (the Organization) was formed in 1983 to exhibit materials and to provide information to the public regarding the impact and contributions of immigrants from Denmark to the United States and is located in Elk Horn, Iowa. Artifacts and traditions are collected, preserved, studied and interpreted in order to preserve this rich heritage. During the fiscal year ended August 31, 2014, the Danish Immigrant Museum formally adopted a fictitious name, The Museum of Danish America, to in order to embrace all aspects of Danish American culture and influence rather than focusing only on immigrants.

The Museum of Danish America's five program services are:

Collection Care - The Museum of Danish America celebrates Danish roots and American dreams through its curatorial activities. The department maintains a collection of approximately 40,000 artifacts, many of which are available on the museum's website through the "View Our Collection" extension.

Genealogy - The Genealogy Center collects print, microform and digital materials on Danish immigrants, Danish Americans, their communities and organizations, and provides information on relevant genealogical resources as well as research and translation services to the public in-house and long distance. In addition, a digital library provides the ability to browse collections and titles online.

Public Outreach - Public outreach activities bring the Museum's mission to its national audience and membership by engaging constituents at public festivals, lectures and presentations, workshops, and receptions across the country.

Design Shop - The Design Shop displays items reflecting the best in Danish design and books about Denmark and Danish-American relations.

Bedstemor's House - Maintenance, tours and promotion of a 19th century historical house.

Significant Accounting Policies

The financial statements of the Museum have been prepared on the modified cash basis of accounting, a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America. The modified cash basis of accounting reports transactions on a cash basis modified to reflect certain accrual basis accounting adjustments such as capitalizing fixed assets and recording annual depreciation along with debt relating to fixed assets owed to banks and contractors. Revenue is recognized when received and does not account for promises to give. In addition, expenses incurred but unpaid at August 31, 2015, are not reflected in the accompanying modified cash basis of accounting financial statements.

Notes to Financial Statements August 31, 2015

Note 1 – Nature of Activities and Significant Accounting Policies (Continued)

Significant Accounting Policies

Use of Estimates. The preparation of financial statements in conformity with the modified cash basis of accounting requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, revenues, and expenses during the period and as of the date of the financial statements. Actual results could differ from those estimates.

Net Assets. The financial statements report net assets and changes in net assets in three classes that are based upon the existence or absence of restrictions on use that are placed by its donors, as follows:

Unrestricted net assets are resources available to support operations. The only limits on the use of unrestricted net assets are the broad limits resulting by the nature of the organization, the environment in which it operates, the purposes specified in its corporate documents and its application for tax-exempt status, and any limits resulting from contractual agreements with creditors and others that are entered into in the course of its operations.

Temporarily restricted net assets are resources that are restricted by a donor for a particular purpose or future period. Unspent contributions are classified in this class if the donor limited their use, as are the unspent appreciation of its donor-restricted endowment funds. When a donor's restriction is satisfied, either by usage of the resources or by the passage of time, the expiration of the restriction is reported by reclassifying the net assets from temporarily restricted to unrestricted net assets. If a restriction is fulfilled in the same time period in which the contribution is received, the Museum reports the contribution as unrestricted.

Permanently restricted net assets are resources whose use is limited by donor-imposed restrictions that neither expire by being used in accordance with a donor's restriction nor by the passage of time.

All revenues and gains are reported as increases in unrestricted net assets in the Statement of Revenues, Expenses, and Changes in Net Assets - Modified Cash Basis unless the use of the related resources is subject to temporary or permanent donor restrictions. All expenses and net losses other than losses on endowment investments are reported as decreases in unrestricted net assets. Net losses on endowment investments reduce temporarily restricted net assets to the extent that net gains of the fund from prior years are unspent and classified there; remaining losses are classified as decreases in unrestricted net assets. If an endowment fund has no net gains from prior years, such as when a fund is newly established, net losses are classified as decreases in unrestricted net assets.

Cash Equivalents. The Museum considers all unrestricted short-term investments with an original maturity of three months or less to be cash equivalents unless the investments are held for meeting restrictions of a capital or endowment nature.

Inventory. Inventory, consisting of design shop merchandise and exhibit catalogues, is stated at the lower of cost or market determined on a first-in, first-out basis by the Organization's personnel.

Notes to Financial Statements August 31, 2015

Note 1 – Nature of Activities and Significant Accounting Policies

Significant Accounting Policies (Continued)

Property and Equipment. Property and equipment are recorded at cost unless donated. Donated property and equipment are recorded at their fair value on the date of receipt. Gifts of property and equipment are recorded as unrestricted support unless the donor explicitly specifies how the donated assets must be used. Currently, the Organization has no policy implying time restrictions on donated property. Property and equipment is capitalized if it has a cost of \$2,000 or more and a useful life when acquired of more than one year. Repairs and maintenance that do not significantly increase the useful life of the asset are expensed as incurred. Depreciation is provided on the straight-line method over a five to fifteen year period for furniture and equipment, fifteen to fifty years for buildings and permanent exhibits, and fifteen years for improvements.

Property and equipment are reviewed for impairment when a significant change in the asset's use or another indicator of possible impairment is present. No impairment losses were recognized in the financial statements in the current period.

Collections. The Museum's collections, which were acquired through purchases and contributions since the Museum's inception, are not recognized as assets on the Statement of Assets, Liabilities, and Net Assets - Modified Cash Basis. Purchases of collection items are recorded as decreases in unrestricted net assets in the year acquired. Proceeds from deaccessions or insurance claims are reflected as increases in the appropriate net asset classes.

The Museum's collections consist of historically significant artifacts and art held for educational, research, and curatorial purposes. The items are cataloged, preserved, and cared for, and activities verifying their existence and assessing their condition are performed continuously. The collections are subject to a policy that requires proceeds from their sales to be used to acquire other collection items, conserve existing collection items, or to benefit the Museum's operations and programs.

Contributions. Contributions are recognized when received. All contributions are reported as increases in unrestricted net assets unless use of the contributed assets is specifically restricted by the donor. Amounts received that are restricted by the donor to use in future periods or for specific purposes are reported as increases in either temporarily restricted or permanently restricted net assets, consistent with the nature of the restriction.

In-kind Donations. The organization receives a significant amount of support in the form of goods and services from donors and volunteers in the organization's operations, fund raising, admissions desk, design shop, and museum tours. Services that do not require specialized knowledge are not required to be reported on financial statements prepared on the modified cash basis of accounting. Accordingly, these financial statements do not reflect these contributions. If these contributions were recorded, revenues would increase by the fair value of the contributions. During the fiscal year ended August 31, 2015, in-kind contributions consisting of specialized services and goods of \$23,347 were received and recorded.

Notes to Financial Statements August 31, 2015

Note 1 – Nature of Activities and Significant Accounting Policies

Significant Accounting Policies (Continued)

Expense recognition and allocation. The cost of providing the organization's programs and other activities is summarized on a functional basis in the Statement of Revenues, Expenses and Changes in Net Assets - Modified Cash Basis and Functional Expenses - Modified Cash Basis. Expenses that can be identified with a specific program are charged directly to that program. Costs common to multiple functions have been allocated among the various functions benefited.

Management and general expenses include those costs that are not directly identifiable with any specific program, but which provide for the overall support and direction of the organization.

Fundraising costs are expensed as incurred, even though they may result in future contributions.

Additionally, advertising costs are expensed as incurred.

The Museum has elected to use the direct expensing method in accounting for planned major maintenance activities.

Tax status. The Museum is a not-for-profit organization that is exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code. The Museum is also a public charity under the IRC Sections 509(a) and 170(b)(1)(A)(vi). This allows for donations to the Museum to be deductible as charitable contributions. Tax years ending prior to August 31, 2013, are considered closed years.

The Organization accounts for uncertainties in accounting for income taxes using the guidance included in Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) Topic 740, Income Taxes. The Organization recognizes the effect of income tax positions only if those positions are more likely than not of being sustained. At August 31, 2015, the Organization had no uncertain tax positions.

Note 2 – Investments and Fair Value of Financial Instruments

The Organization accounts for its assets measured at estimated fair value on a recurring and non-recurring basis in accordance with FASB ASC Topic 820, *Fair Value Measurements and Disclosures* (ASC 820). ASC 820 defines fair value, establishes a framework for measuring fair value, and enhances disclosures about fair value measurements.

ASC 820 defines the fair value as the price that would be received from selling as asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. When determining the fair value measurements for assets and liabilities required or permitted to be recorded at fair value, the Organization considers the principal or most advantageous market in which it would transact and it considers the assumptions that market participants would use when pricing the asset or liability.

Notes to Financial Statements August 31, 2015

Note 2 - Investments and Fair Value of Financial Instruments (Continued)

ASC 820 requires an entity to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value. ASC 820 establishes a fair value hierarchy based on the level of independent, objective evidence surrounding the inputs used to measure fair value.

A financial instrument's categorization within the fair value hierarchy is based upon the lowest level of input that is significant to the fair value measurement. ASC 820 prioritizes the inputs into three levels that may be used to measure fair value.

- Level 1: Fair value determined based on quoted prices in active markets for identical assets or liabilities.
- Level 2: Fair value determined using significant observable inputs, generally either quoted prices in active markets for similar assets or liabilities or quoted prices in markets that are not active.
- Level 3: Fair value determined using significant unobservable inputs, such as pricing models, discounted cash flows, or similar techniques.

The Organization's investments are classified as Level 1 as the instruments are actively traded and have quoted prices. The primary uses of fair value measures in the organization's financial statements are

- Initial measurement of noncash gifts (e.g. investment assets).
- Recurring measurement of investments.

All investments held at August 31, 2015, have been classified as Level 1 investments. No Level 2 or Level 3 investments were held at August 31, 2015.

Investments consist of the following as of August 31, 2015:

Note 6 – Endowments

The organization's endowments consist of three funds consisting of resources provided by donors (referred to as donor-restricted endowment funds) and or by resources set aside by the Board of Directors to function as endowments (referred to as board-designated endowment funds). All donor restricted endowments are permanent endowments or funds that provide a perpetual source of support for the organization's activities. Net assets associated with endowment funds are classified and reported based on the existence or absence of donor-imposed restrictions.

The state of Iowa enacted the Uniform Prudent Management of Institutional Funds Act (UPMIFA) effective April 11, 2008. UPMIFA establishes law for the management and investment of donor-restricted endowment funds. The Board of Directors of the museum has interpreted UPMIFA as requiring the preservation of the fair value of the original gift as of the gift date of the donor-restricted permanent endowment funds unless there are explicit donor stipulations to the contrary. As a result of this interpretation, the organization classifies the original value of gifts to donor-restricted permanent endowments as permanently restricted net assets. The remaining portion of a donor-restricted permanent endowment fund is classified as temporarily restricted net assets until those amounts are appropriated for expenditure by the organization.

In accordance with UPMIFA, the Museum considers the following factors in making a determination to appropriate or accumulate donor-restricted endowment funds:

- The duration and preservation of the fund
- The purposes of the Museum and the donor-restricted endowment fund
- General economic conditions
- The possible effect of inflation and deflation
- The expected total return from income and the appreciation of investments
- Other resources of the Museum
- The investment policies of the Museum

Notes to Financial Statements August 31, 2015

Note 6 - Endowments (Continued)

The net asset composition of endowment funds as of August 31, 2015, is as follows:

•		Temporarily	Permanently	
	<u>Unrestricted</u>	Restricted	Restricted	Total
Donor-restricted				
permanent endowment funds				
- DBIA Artifact Endowment	0	0	28,000	28,000
 Holger Danske Endowment * 	(257,865)	0	1,286,632	1,028,767
- DIM Endowment *	(38,093)	0	1,595,042	1,556,949
Total Donor-restricted funds	(295,958)	0	2,909,674	2,613,716
Board-designated endowment fund				
 Holger Danske Endowment * 	6,881	0	0	6,881
- DIM Endowment *	1,072,532	0	0	1,072,532
Total Board-designated funds	1,079,413	0	0	1,079,413
Total Endowment Funds	783,455	0	2,909,674	3,693,129

^{*} The total balance in the Holger Danske Endowment of \$1,035,648 and in the DIM Endowment of \$2,623,681 consists of both donor-restricted funds and board-designated funds.

Two donor-restricted permanent endowment funds, currently have values that are less than the amount of the original gifts (the permanently restricted portion of the funds). The deficiencies, resulting from cumulative withdrawals in excess of cumulative income, of \$323,924 at August 31, 2015, are reported in unrestricted net assets. Cumulative income does include unrealized gains and losses which fluctuate with the market.

The Holger Danske Endowment spending and investment policies adopted by the Board of Directors of the Museum attempt to provide a predictable stream of funding to the Museum while seeking to maintain the purchasing power of the endowment assets. The investment policy establishes an achievable return through diversification of asset classes. The spending policy is to distribute an amount equal to 50% of the net income of the fund with additional withdrawals allowable if deemed necessary. Essentially, the Museum's objective is to maintain the purchasing power of the endowment assets as well as to provide additional real growth through new gifts and investment return.

The DIM Endowment spending and investment policies adopted by the Board of Directors of the Museum attempt to achieve a reasonable and adequate rate of growth while not incurring significant risk, produce reasonable income, and achieve growth. The investment policy establishes an achievable return through use of a moderate portfolio approach. The spending policy allows distribution of the funds entire investment income and provides for invasion of principal with Board or Executive Committee approval. The Museum's objective is to provide growth exceeding inflation.

Note 7 – Design Shop

Design shop revenues are reported net of discounts and returns in the Statement of Revenues, Expenses and Changes in Net Assets - Modified Cash Basis. Gross profit information is as follows:

Gross sales	118,788
Discounts	(13,429)
Net Sales	105,359
Cost of Goods Sold	(57,883)
Gross Profit	<u>47,476</u>

Shipping and handling costs on both incoming and outgoing orders are included on the Statement of Functional Expenses in the Design Shop's postage expense.

Notes to Financial Statements August 31, 2015

Note 8 – Leases

The Museum leases intern living quarters under an automatically renewable one-year lease expiring on August 31, 2016, and certain office equipment under non-cancelable leases expiring in the fiscal year ending August 31, 2017. In addition, the Museum leases office space under a twenty-four month non-cancelable operating lease which will expire in May, 2017. Rental expense amounted to approximately \$31,498 for the year ended August 31, 2015 and is reported on the Statement of Functional Expenses as Rent, Equipment Expenses and Office and Computer. The approximate minimum rental commitment under non-cancelable operating leases in effect at August 31, 2015, is as follows:

2016	24,504
2017	12,811
2018	-0-
2019	-0-
2020	-0-

Note 9 – Concentrations of Credit Risk

Amounts held in financial institutions are in excess of the Federal Deposit Insurance Corporation and Securities and Investor Protection Corporation limits. The organization's investments are subject to various risks, such as interest rate, credit and overall market volatility risks. Further, because of the significance of the investments to the organization's financial position and the level of risk inherent in most investments, it is reasonably possible that changes in the values of these investments could occur in the near term and such changes could materially affect the amounts reported in the financial statements. Management believes that its credit risk is not significant.

Note 10 - Related Party Transactions

During the year ended August 31, 2015, the Museum received \$38,434 from board members and staff.

In addition, the Museum leases space for the Family History center from a board member. During the fiscal year ended August 31, 2015, \$12,000 of rent was paid under this lease.

Notes to Financial Statements August 31, 2015

Note 11 – Subsequent Events

The Museum has considered subsequent events through December 21, 2015, which is the date the financial statements were available to be issued.

Due to the negative market returns on the endowment funds, the Museum was not able to sweep any earnings for the fiscal year ended August 31, 2015, as it typically does in September.

In early October, the Museum purchased five acres to the East of its current location. The land is the site of the former Elim Children's Home. At August 31, 2015, the Museum had \$25,000 of temporarily restricted net assets for this purpose. The Museum does not have any immediate plans for the development of the site.

The Museum also received the proceeds of a \$200,000 low interest loan from a former Board member. A portion of these proceeds was used to purchase the Elim Children's Home site and the remainder was used to pay down the line of credit at Shelby County State Bank.
